**BLACK MOUNTAIN HOME**  
*for Children, Youth and Families*

***Glorifying God by caring for children and families***

Started by Presbyterian minister Robert Perry Smith in 1904 as Mountain Orphanage, Black Mountain Home for Children, Youth & Families began its ministry taking in Appalachian children whose parents had died or disappeared. Today, the ministry serves youth from birth through college graduation through family foster care, residential care, transitional living, and independent living programs.

*Mountain Home Thrift Store: Cheryl's Place and Thirteen Pennies Café*

*serve a two-fold purpose at BMH.*

*First, they provide jobs and training for older youth as they work toward adulthood.*

*Second, they provide income for the ministry as government funding continues to dwindle.*

The store and café are key components of the Home's Apprenticeship Program which includes four training tracks: culinary arts, outdoor, leadership/recreation, hospitality/housekeeping, and maintenance/automotive. Youth participate in a year-long training program that includes hands-on work experience on campus before being paired with a local business providing a paid internship.

Once youth complete the program the goal is for the sponsor business to consider offering them continued employment at a living wage.

When you shop at the Mountain Home Thrift Store: Cheryl's Place and Thirteen Pennies Café, you're supporting our at-promise youth and helping them realize their potential!

***Thank you for supporting our youth!***
